Additionally, up to three lanes of northbound and southbound U.S. 101 will be closed within the project area intermittently during those dates.

Security Paving is the contractor on this \$57 million project, expected to finish by summer 2011.

# NEWS RELEASE

Two additional segments of the freeway pavement – between Las Virgenes Road in Calabasas and the Ventura County Line and between Santa Rosa Road in Camarillo and Padre Juan Canyon Road in Ventura – also will be rehabilitated. Those projects are anticipated to begin by late Spring 2011.

The project will provide a smoother ride and extend the life of the pavement.
